

Only current STAR test assignments are shown here. ES's that were assigned previously to CAHSEE still have those responsibilities. A reminder of your CAHSEE dates will be emailed to you but not included in this chart. Please do not waste your time by comparing the number of your assigned dates with others as you are not aware of other test dates they have participated in. Check your dates on the ES ALPHA tab and then compare it with the specific STAR Test site tab. Contact Leita immediately with any discrepancies: ibarlow@connectingwaters.org
