8. AESS: Number I am willing to serve: _____
(All ESs are expected to serve up to 5 AESS students in their desired grade level as requested by their families. Sometimes we hire specifically for an AESS ES in a specified location. If this is the case, up to 24 may be entered for a new ES. Include this number in #1 above.)
9. School(s): _____
10. Other Employment you plan to continue concurrently with us (provide name of employer and location):

11. Hours of work each week for a non-IEM employer listed in #10:

I understand that I am being interviewed for a position as an ES for the above school based on my willingness to accept the type of students indicated above in my ES load. I also understand that if I feel overwhelmed, I am free to lower my student count upon request at any time to a minimum of 10 students, serving my present students until they can be placed with another ES. I understand that employment with this school as an ES is "at will" employment and no promises will be made for continuing employment or regarding the number of students that may be assigned to an ES. Assignment of ESs to students is based on the candidate's completion of ES training in the required time period, and the availability of prospective students in your selected geographical location, based on ES seniority. I certify by my signature below that the above information is accurate and if a change occurs, or I wish to make a change, I will notify the office and/or my assigned ES Advisor.
