ES Initials - Summer School Eligibility

(ES must initial one or both of the following statements to have this student be eligible for summer school)

- _____ This high school student is 10th grade or above and has failed the CAHSEE and still needs to pass the Math and/or English Language Arts CAHSEE. (Circle test failed: ELA MATH)
- _____ This student is behind in credits. (*Note to ES: To find if this student is behind in credits, go to the Student View screen in FRED that lists all of your active students. A 12th grade student who did not complete all graduation requirements is eligible to attend. If the grade level for this student is shaded light gray, the student is behind in credits. If the grade level is NOT gray or not a 12th grader who did not graduate, contact your advisor to determine if this is a special circumstance and the student might be eligible.*)
- Special notes:

Proposed Summer Courses:

1) Course Title: _____ Number of Credits Attempting: _____

2) Course Title: _____ Number of Credits Attempting: _____

Parent: Please initial all items for student named above to be eligible for enrollment:

- _____ I want my student to participate in the twenty (20) day summer school program from 5/24/09-6/18/09.
- _____ I acknowledge that I am required to submit **all** of the completed/graded work (or copies) to the summer ES which will support six (6) hours of work per day for twenty (20) school days.
- _____ Attendance at weekly (every 5 school days) face-to-face meetings with the summer ES for four (4) meetings. Failure meet with the ES on a weekly basis or failure to complete the required assignments and turn in all work completed that week will result in the student being dropped from the summer school program. (*Note: If this occurs, it will not affect the student's regular school year enrollment.*)
- _____ High school students must attempt a minimum of 10 credits in summer school (except for a 12th grade student who is finishing up credits to graduate—less will be considered).
- _____ Community College courses **may not** be taken concurrently with summer school.
- _____ I understand that there is no separate instructional funding for summer school courses. Any books/materials used for summer school courses must be purchased with the student's 2009/2010 instructional funds.
