Parent Initials Checklist

____I, the parent/guardian/adult student of the above student am aware that, according to state law, no child enrolled in _____(school name) may take any community college courses without my ES's and charter school administrator's approval.

____I, the parent/guardian/adult guardian understand that my student will take no more than two classes at the local junior college while taking no less than 20 non-junior college credits with the above named school.

____ My ES has explained to me that continuing and newly enrolled families cannot be enrolled in our public charter school and another public school at the same time. California Education Code Section 47602(b) and Title 5, California Code of Regulations Section 11965(a) prohibit such "dual enrollment". Concurrent Enrollment for programs such as (ROP) or community college require approval from our charter school pursuant to school policy.

____Attached with this form is the **completed**, required Concurrent Enrollment form from the community college he/she will be attending this semester.
