September 21, 2005

Dear Parent of Graduate:

We are looking forward to the 2006 Eighth Grade graduation for Connecting Waters Charter School! The graduation will be held on Tuesday, May 16th at 7pm, at the Waterford High School auditorium which is a beautiful facility. Since we are one of the schools in the Waterford Unified School District, we are able to use this facility at no cost. Mr. Cranley, WUSD Superintendent, is pleased that this facility is available for CWCS to use for our graduation.

Please join us for an important information meeting for this year's Eighth Grade graduation. The meeting will be Tuesday, February 7th at 4:30pm, at the Ceres/Modesto Learning Center, 2600 Mitchell Rd. Ste. G, Ceres (209-541-1531). Graduates, parents of graduates, and ESs are encouraged to attend as we discuss several aspects of this important event.

We are providing the opportunity for one or more of the graduating students to give a short 3 to 5 minute speech during the graduation ceremony. **All speeches must be submitted by April 4th to the CWCS Waterford office.** The CWCS graduation committee will choose and approve the speech(s) that will be given during the graduation.

Graduation practice will be held at the Waterford High School auditorium, May 16th the day of graduation at 4:30pm. Leonard Photography will be at the graduation practice and during the graduation to take individual graduation pictures if you desire to purchase a package. A group graduation picture will also be taken, and may be added to a picture package which starts at \$18.

In order to cover basic graduation needs, \$12.00 will be deducted from each participating graduates instructional funding. If you choose not to have this deducted from the student funding you will need to let us know by calling our office by February 28th. Remember this funding does not cover your graduate's personal items such as: cap, gown, announcements, pictures, etc.

Connecting Waters Charter School
