Description of Supplemental Programs:

#1) Grades 2-9:

Students who have been recommended for retention or who have been retained.

#2) Grades 2-6:

Pupils who have been identified as having a deficiency in mathematics, reading, or written expression.

#3) Grades 7-12:

Students who do not demonstrate sufficient progress toward passing CAHSEE.

#4) Grades 1-12:

There are no qualifying criteria for this program.

If checking #4, explain why program #3 is not selected:

If accepted into summer school (based upon space available in selected program above #1-4), the parent/student will be contacted by the summer school ES to complete the summer school student agreement. Your regular school year ES may order summer school materials with any remaining instructional funds from the current school year.
