

## October 2008 ES Quiz Questions

When taking your monthly quiz, what is the best choice:

- a) try the quiz before the 27th of the month
- b) take the quiz anytime during the month as long as it gets done
- c) take and pass the quiz before the 27th of the month
- d) don't worry about the quiz until after your ES group meeting

T/F: New enrollees should be SCANTRON/WRAT tested all year long within the specified timeframe from their enrollment date.

T/F: The due date for completing SCANTRON/WRAT testing for continuing students is 10/24/08.

High School transcript coding:

- a) must be completed by 10/24/08
- b) should include sub-coding where appropriate
- c) may seem difficult at first, but if you watch the training video, you'll be an expert in no time!
- d) all of the above

For PG Goals, all ES's who were with us last year should do all of the following EXCEPT:

- a) enter a short written progress report on how you have met your 2009 goals to date in Webfiles
- b) Email Linette Harris to let her know of any CSET exams you have signed up for or passed
- c) Make sure to write your report under the tab that says: "OG/SS Professional Growth Goals"
- d) Make sure to write your report under the tab that says: "Goals"

2nd second Student Agreements:

- a) Must be faxed to the office by November 21.
- b) Must be faxed to the office before the first day of 2nd Semester.
- c) Are auditable documents; faxes, photocopies, photographs, artist's renderings - none of these are acceptable.
- d) Will not have late reports run on them to be sure they are entered prior to the first day of 2<sup>nd</sup> semester—you are on your own to be sure they are "in".

Which of the following is true about 1st semester high school report cards ?

- a) You must submit 1st Semester grades in ES Webfiles by November 21, but do NOT click "done" until the grade is actually earned.
- b) You must submit 1st Semester grades in ES Webfiles within 30 days of the end of the semester.
- c) You cannot enter grades into FRED for a class that is not complete.
- d) none of the above

From the IF Calc chart in webfiles, if a K-8 student enrolls on October 30<sup>th</sup> they will have the following instructional funding to spend:

- a) \$183.05 for first semester, \$900 for the second semester
- b) 158.02 for first semester, \$900 for second semester
- c) 0 for first semester, \$1100 for second semester
- d) 161.19 for first semester, \$1100 for second semester

A 5<sup>th</sup> grade student who enrolls on 9/30/08 would like to have AESS B services. Will they have enough money to pay for this?

- a) Yes, they will have \$460.31 in IF, and AESS B would cost \$312 (52 days X \$6.00/day)
- b) No, they will have \$460.31 in IF, and AESS B costs \$550 for the semester
- c) AESS B is not allowed in this situation; it is only open to 7<sup>th</sup> - 12<sup>th</sup> graders
- d) No; they will have \$183.05 and B would cost \$312. They could enroll in AESS A or C however.

The following would be considered consumable material EXCEPT:

- a) A textbook that the student highlighted.
- b) A lab kit for chemistry
- c) Printer ink
- d) An used workbook

There is a new button, added within the last month, in the PO field in Webfiles. It is:

- a) "Mark All Recvd" - when you click it, it marks all of the PO items as received by you, the ES.
- b) "Duplicate as a New PO Request" - when you click this it duplicates the PO as a new PO.
- c) "Get Parent Receipt" - when you click this button, you can print out a receipt for parents to sign for the materials they received.
- d) "PO Inquiry" - when you click this button you can fill out a form with questions related to that specific PO.

T/F For service POs, it is imperative that you, the ES, include student name, contact info, and ES name and contact info in the body of the PO so that the service vendor knows who the student is and who to contact for questions.

T/F The ES is responsible to complete the credit summary for all their currently enrolled students with the expanded format according to the information found with the HELP button found in the Transcript Summary box

T/F If you have an item over \$350 that is being transferred to another ES's student, you are responsible to make the changes in ES WEBfiles in the View/Materials section.

T/F You must use the Missing Materials form posted on the website for all lost/damaged items and submit the form to the office at any time.

T/F Whenever you need to look at or update a student's database documents that you have created, such as a SA, report card, LR, etc, the way to access the document is from the VIEW section in WEBfiles, not the CREATE section.

#### Section 4
