Total Materials Cost for the Entire class (all students) [] Total Facilities Cost []

If an alert is appearing to the left, you must make some changes!

If the "Alert, minimum hourly wage is less than legal minimum wage!" appears then contact the vendor to raise the minimum class size or raise the Per Student Per Class Rate
If the "Alert, class labor cost exceeds allowable total!" appears then contact the vendor to lower the Per Student Per class Rate or lower the maximum Class size

By submitting this CP Set-up, I, the ES, am giving educational approval for this course and instructor.

Alert, minimum hourly wage is less than legal minimum wage!

For GEA: Enter all info needed for this activity--deadlines, mailing addresses, items needed to attend, any specific info.

School and State Standards are required!

School Standards(The GA ID (Growth Area ID) must be filled in order for the standards lists to appear)

ES Comments
You may enroll any of your students at the time of creating the set up. Select student number from drop down list and select X in ES approval.
