K12 Inc. Course and Connecting Waters Charter School Instructional Budget Agreement

I _____ (parent name) have selected the
following K12 Inc. courses for _____ (student name)

_____	_____
_____	_____
_____	_____

I understand that since the K12 courses are full year courses the cost of the courses may exceed my first semester Instructional Materials budget. I therefore request that the Online School fees for the first semester plus all materials and shipping fees be charged against my student's first semester budget per the 2007/08 K12/Connecting Waters price list. I agree that the balance owed for the course(s) will be paid out of student's second semester budget before any other charges can be incurred.
