1. Introduction

This document specifies which Apex Learning® courses have required and optional course materials, and details the specific materials. Materials include:

- Textbooks, novels, science lab manuals, and other books.
- Microphones, speakers or headphones, and calculators.
- Lab materials. Go to <http://support.apexlearning.com> for a list of hands-on lab materials. In the upper-right corner, under Quick Links, select Course Materials.

This document specifies which course materials are available for purchase from Apex Learning, and the price for those materials as of the date of this document.

- The price to purchase access to Apex Learning courses does not include the materials specified in this document.
- Prices are subject to change based on the cost incurred by Apex Learning to procure and ship the materials.
- Prices include ground-shipping fees within the continental U.S. but not tax. There will be an additional shipping charge for delivery outside the continental U.S. or if expedited shipping is requested.

2. Acquiring Course Materials

A book's ISBN and edition numbers are critical to acquiring the appropriate course materials. Users may source course materials on their own. Required and optional books may also be purchased as follows:

From MBS Direct with a credit card

- Order online at <http://bookstore.mbsdirect.net/apexlearning.htm>
- Or by phone at 1-800-325-3252

From Apex Learning with a purchase order or other payment method

- Contact Apex Learning by phone at 1-800-453-1454
- Or by email at support@apexlearning.com

Acquiring Lab Materials

Apex Learning has partnered with a third-party vendor to create custom laboratory kits (LabPaqs) that contain all the materials needed for AP Biology and AP Physics B.

- Order the kits directly from the vendor's website.
 - AP Biology: <http://www.labpaq.com/bk-apex-2> (\$255 + shipping and handling)
 - AP Physics B: <http://www.labpaq.com/pk-apex-2> (\$177 + shipping and handling)
- For LabPaq customer service, call 1-866-206-0773

3. Questions?

Contact the Apex Learning support team by phone at 1-800-453-1454 or by email at support@apexlearning.com.

4. Course Materials At-a-Glance

Foundations

Foundations courses have no required or optional materials for students or teachers.

ISBN 1577660617 / \$41.00
- TI-84 Plus, TI-83, or TI-83 Plus Calculator
Read "Getting Started" and chapter 1 in the TI Guidebook before the course starts.
- Apex Learning offers two versions of AP Chemistry.
 1. AP Chemistry course requires completion of hands-on lab activities and has been approved by the College Board as meeting all requirements for a laboratory science course. In order to conduct the hands-on lab activities in this course, students need access to supervised lab facilities, the lab manual, and lab materials. For a list of hands-on lab materials, go to <http://support.apexlearning.com>. In the upper-right corner, under Quick Links, select Course Materials.
 2. AP Chemistry (DL) includes dry lab activities and is intended for students who do not have access to supervised lab facilities. This course has been conditionally approved by the College Board because the course fulfills all of the components required in an AP science course with the exception of the minimum time required to be spent engaged in hands-on laboratory work/field experiences. Dry labs require only the lab manual; no additional lab materials are needed.

Semesters 1 and 2: Optional
